Supervisor Reinbold called the meeting to order at 5:50pm with all board members present to discuss the ordinance violation by DHT.

The board would like to know what action the DEQ is going to take based on the 4/20/18 deadline.

Board members would like to have legal counsel research whether or not we have a foundation to file action in Circuit Court for DHT's violation of Blumfield Township's Zoning Ordinance.

Meeting adjourned at 6:38 pm

Respectfully Submitted,
